EDUCATION

Bradley University, Peoria, IL | Expected May 2027

B.S. in User Experience Design · GPA 3.6/4.0 · Dean's List

NABA – Nuova Accademia di Belle Arti, Milan, Italy | Aug 2026 – Dec 2026

Study Abroad in User Experience Design / Product Design

PROJECTS

Caterpillar UX Design Challenge – Best Research Award | Aug 2025 – Nov 2025

- Designed an adaptive coaching interface for heavy equipment operators on a 3-person team
- Worked across research, user flows, wireframes, Figma prototypes, and usability tests (5 users)
- Iterated twice over 7 weeks based on feedback from Caterpillar's UX team and our testing

Partners in Crime – Co-op VR Game, Bradley FUSE Program | Sep 2024 – Apr 2025

- Helped originate a VR/PC co-op game built by 17 people, showcased at the Peoria Riverfront Museum
- Designed the VR interface and built Unity visual effects that communicate game state to players

Bradley University Website Redesign, Advanced UX Design

- Researched and redesigned Bradley's website for high school students exploring colleges

EXPERIENCE

Real Estate Photographer, Jubilee Real Estate Media, Peoria, IL | Aug 2025 – Present

- Photograph residential listings on location, handling lighting, composition, and framing
- Coordinate with agents on site to capture the shots each listing needs

Front Desk Associate, Gold's Gym, Peoria, IL | Jan 2026 – Present

- Run full shifts as one of two staff: member check-in, cafe service, facility upkeep, and closing

Tech & Creative Team Volunteer, Riverside Community Church | Sep 2024 – Apr 2026

- Contributed design, branding, and photography for church events and campaigns
- Ran live production for weekly services: sound, lighting, cameras, livestream, and slides
